

# Motor Breakdown Cover

## Information & Guidance

If your vehicle suffers a mechanical breakdown, this cover could help to get your car back on the road, recovery to a local garage or a destination of your choice. Breakdown cover can vary between providers. Here at G. Moore & Co. we use the 'RAC'.

Some of the main features relating to the RAC Motor Breakdown cover are explained below :-

### Roadside Assistance

If you break down and you are further than  $\frac{1}{4}$  of a mile from your home (and in the UK) the breakdown company will come out to your vehicle and try to get you going. If they cannot fix your vehicle, they will arrange transportation of your vehicle and up to 7 passengers to a single destination of your choice up to 10 miles from the breakdown.

### Roadside & Recovery

If you break down and you are further than  $\frac{1}{4}$  of a mile from your home (and in the UK) the breakdown company will come out to your vehicle and try to get you going. If they cannot fix your vehicle, they will arrange transportation of your vehicle and up to 7 passengers to a single destination of your choice anywhere within the UK. This could be back home, to a local garage or even to get you to your outbound destination (to start your UK holiday for example).

### Roadside, Recovery & Home start

This cover is exactly the same as Roadside & Recovery (above) but also include cover at your home address (ie. within  $\frac{1}{4}$  of a mile of your address). You can ring them if your vehicle will not start outside your home.

If your vehicle cannot be repaired at the side of the road, RAC will arrange and pay for car hire for up to 2 days whilst your vehicle is being fixed or reimburse you or the driver for :

- i. Alternative travel costs; or
- . Hotel accommodation for the driver & up to 7 passengers

### Cover in Europe

If you are taking your vehicle abroad you can extend the cover to include Breakdowns whilst travelling in Europe. The cover you receive can vary slightly so this would be explained if this section was required. Full policy wordings are also supplied for further clarification.
